

PUBLIC LEDGER

WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., TUESDAY, AUGUST 9, 1904.

ONE COPY—ONE CENT.

ALL IN SIX DAYS.

Monday.
Go-d-bye, old sweetest,
I'm glad to see you go;
The closest look for you—
We've seen the last of snow.

Tuesday.
You're kind o' musty, yes;
And out of date, at that;
But then at any rate
You're made of straw, old hat.

Wednesday.
A real midsummer day—
"Whee!" It makes one puff.
A man I met down town
Asked: "Find this hot enough?"

Thursday.
Jehoshaphat! It looks
Like summer's here for fair,
I'll have to overhaul
My last year's underwear.

Friday.
Her! Say, but that wind's raw,
It chills you through and through,
Humph, what do you think of that?
It's started raining, too.

Saturday.
Back again, old overcoat!
Too soon for you to go.
I'll put you on again
And shovel off the snow.
—Kansas City World.

BAD FREIGHT WRECK

Spreading Rails Caused a Smashup on the L. and N.

There was a good-sized freight wreck on the L. and N. yesterday afternoon. As No. 19, in charge of Conductor J. W. Thompson and brakeman Jack Moore, was nearing Clark's Station a spread rail derailed and dented seven cars and a caboose.

The train was a mixed one and while considerable loss was sustained, fortunately no one was killed.

Conductor Thompson and brakeman Moore were slightly injured.

The crew was in no wise responsible for the mishap.

The wrecking crew has the track clear this morning and there will be no delay in traffic on the road.

PAY OF MAGISTRATES

Suggestion That They Receive a Straight Salary

How would it do to have the Magisterial Courts of the county put on a salary basis instead of the fee system as is now in vogue?

A stated salary is much the best. Under the present mode the Magistrates pay is conditioned in the conviction of the person being tried, and in nine cases out of ten the Court is lending its best efforts to that end in order to compensate itself, rather than seeking to find the true merits of the cause and governing itself accordingly.

All fines and costs should be turned over to the county—as are the fines and costs of the Police Court turned into the Treasury of the City of Maysville.

The salary paid should be in accordance with the volume of business transacted.

The two Maysville Magistrates should receive considerably more than those in the county districts.

A salaried official not being dependent on the outcome of a trial for his pay, would be free from all bias and would render his decision in accordance with the facts and evidence brought out in the testimony—which is now not always the case.

This is a matter that should be corrected by an enactment of the Legislature, and the sooner it is done the better.

A SLICK FELLOW

Colonel Edward Whittington Wants Him \$45 Worth

A smooth individual who gave his name as W. F. Downey, and as representing the Boggs Drilling Co. of Philadelphia, has been in the city for several days past.

During his stay he ingratiated himself in the good graces of several of our citizens by his wonderful stories of what he and his firm contemplated doing.

Among the number was Mr. Edward Whittington, doing business on the corner of Front and Market streets.

In some manner he impressed this gentleman as being straight, all-wool and a yard wide, and would he be kind enough to indorse a \$45 check for him, as he was in need of a little cash.

To all appearances the man was as he represented himself to be, and Mr. Whittington did the accommodation act by putting his sign-manual to a paper for the above amount.

With such gilt-edge indorsement it was readily cashed by a local Bank.

After getting the money deep down in his flank, the glib-tongued scoundrel was not long in shaking the dust of our new made streets off his feet—he vamoosed last evening between twilight and the shade of night.

Policeman Ort and Mr. Whittington were scouring the city last night for the wily duck, but it is evident he has gone to pastures green for more game.

Among other unpaid bills he owes for what he ate during his short sojourn here.

A Cuban Anarchist named Villalonga, attempted to assassinate Civil Governor Nunes. When he was arrested he claimed he had orders from President Roosevelt to intervene in the Government of Cuba. He is probably insane.

Clarence Braxton left this morning for Frankfurt as a delegate to the state Grand Lodge, U. B. F. No. 30, which convenes at that place today at 10:30 a. m. K. C. F. G. Brady of Golden Leaf Camp, K. of F., will go with the Uniform on Friday. Captain George H. Jackson will have charge of the camp in the prize drill.

The Rev. R. E. Moss will hereafter preach at 4 p. m. the first Sunday in each month at the Lawrence Creek Church.

There were two bids for the sewer pipe submitted to the Committee having the matter in charge at their meeting last night. The bids were from W. F. Power and Larry Langefeld. The amount involved was something over \$9,000, and Mr. Power's bid was \$172 lower than that of Mr. Langefeld. Both bids were rejected, from the fact that neither one came up to the requirements of the specifications.

Last evening about 7 o'clock a buggy containing Mrs. Charles Bland and child and her sister, Mrs. Louise Harting, was overturned in front of the St. Charles Hotel in Front street, and strange to say not one of the occupants were injured. Mrs. Bland was driving and in her effort to turn the buggy around the mishap occurred. Those who witnessed the incident were greatly alarmed, believing for an instant that all were either killed or badly injured. It was a marvelous escape.

REPUBLICAN CONVENTION NINTH DISTRICT.

The Republicans of the Ninth Congressional District are hereby respectfully called to meet in delegated Convention in the city of Cynthiana, Ky., on Thursday, September 15th, 1904, at 1 o'clock p. m., for the purpose of nominating a Republican candidate for Congress for said District.

The Chairmen of the respective counties shall cause the Republicans of their counties to meet in Mass Conventions on Saturday, September 10th, 1904, at such times and places to be designated by said chairmen, for the purpose of selecting Delegates to said Convention at Cynthiana.

The basis of representation shall be one Delegate for each 100 votes, or majority fractional part thereof, cast for William McKinley in 1900, and the counties are entitled to the following Delegates, viz:

Bath.....	17	Lewis.....	24
Boyd.....	21	May.....	25
Bracken.....	13	Nicholas.....	13
Carter.....	25	Robertson.....	5
Fleming.....	21	Rowan.....	9
Greenup.....	20		
Harrison.....	18	Total.....	233
Lawrence.....	21		

By order of the Committee.
J. B. BENNETT, CHAIRMAN NINTH DISTRICT.
John D. Littlejohn, District Secretary.

It was a great acrobatic performance at St. Louis when the entire Convention turned a complete somersault on a gold dollar at the crack of the ringmaster's whip.

THE Democratic attitude toward the currency is that while they admit the gold standard is a legitimate child of the Republican party, which cared for it through childhood and nourished it to a vigorous young manhood, yet as their standard bearer, who twice voted to strangle the child is now ready to adopt it, they ask the country to take it from its natural parents and give it to him and Hill.

DEMOCRATIC testimony ought to be satisfactory to Democrats; and THE LEDGER begs to present a few expressions as to the recent so-called nomination of Judge CANTRILL by the so-called Appellate Convention at Lexington. The Lexington Morning Democrat—a red-

hot and still-a-heating Goebel-Cantrill advocate—says:

"The Democrat wishes to enter its earnest protest against such doings as those enacted at yesterday's Convention, called to nominate a candidate for Appellate Judge, the one Convention at least that ought to have been conducted in decency and decorous.

"The scenes are described in our local columns, and they are sufficient to bring a blush of shame to the cheeks of every true Democrat who loves his party better than the fleshpots of office."

The Lexington Herald—high-toned and dignified always—says of the farce—

"The right of Mr. LEE to act is a mixed question of law and decency. It seems that when the District Committee met and made the call for this Convention, in that call was put the direction that Mr. LEE was designated to call the Convention to order, and this was done at the request and by the influence of Mr. CARROLL, of whom Mr. LEE was then an advocate. Afterwards—as shown by the protest and affidavits—Mr. LEE was promised a position for himself or his daughter under Judge CANTRILL; and openly announced this and tried to secure the delegation from Owen on the ground that he was interested in the success of Judge CANTRILL. It will be seen that this was a contingent fee depending on the success of Judge CANTRILL. Under these circumstances it was clearly an act of the grossest impropriety as well of indecency for Mr. LEE to preside, or for Judge CANTRILL and his friends to permit him to act. In law there is no better principle settled than that no man shall be Judge in his own case; this is an universal rule; and under this recognized rule it was clearly illegal—as illegal as dishonest—for Mr. LEE to act, . . . and from these it necessarily follows that Judge CANTRILL is not the nominee of the Democratic party; and it also follows that those delegates who did not participate in his nomination are not bolters, but constituted a majority of the legal Convention."

Now comes The Courier-Journal, the earnest defender of the latter-day faith as expounded by GOEBEL and CANTRILL, with this protest and recommendation—

"Among intelligent Democrats there can be, and there will be, but one opinion about the proceedings of the Appellate Convention in the Fifth District; they were in the highest degree shameful. The Democrats of Kentucky will not consent to seal into the party law and usage the rule that a Provisional Chairman may pass upon contesting credentials. Judge CANTRILL would elevate himself in the public judgment and endear himself to the people by promptly refusing a nomination the terms of which rejoice only his enemies and the enemies of his party. An election to the Appellate Bench on such a warrant would bring with it disgrace, not honor."

But CANTRILL will never "elevate" himself as The Courier-Journal suggests, preferring election with disgrace to defeat with honor. Mark this.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and prices it. We are pretty careful not to let a him job get onto our presses. No press in the country can better our printing and we want you to know it.

Mrs. Anderson, Jacksonville, Fla., daughter of Recorder of Deeds, West, who witnessed her signature to the following letter, praises Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—There are but few wives and mothers who have not at times endured agonies and such pain as only women know. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any I ever knew and thoroughly reliable.

"I have seen many cases where women doctored for years without permanent benefit, who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and incurable came out cured, happy, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and appetite, and tones up the entire system. Your medicine has been tried and found true, hence I fully endorse it."

—Mrs. R. A. ANDERSON, 225 Washington St., Jacksonville, Fla. — \$5000 forfeit if original of above letter proving genuineness cannot be produced.

No other medicine for women has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any substitute.
